RE: September 13, 2015 collision involving inbound Milwaukee District-North Line Train 2600

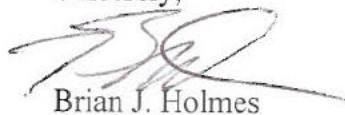

Dear Sir or Madam:

I have been retained to represent [REDACTED] in relation to an incident on September 13, 2015 in which he was struck by an inbound Milwaukee District-North Line Train.

Enclosed please find a FOIA request for any and all video of the aforementioned incident. As I understand it, Metra Police possesses video of the collision at issue. My clients have requested that I promptly obtain this video. I would like to obtain this video without the need for court intervention as that would seem to be a waste of both my resources and Metra's.

Thank you in advance for your cooperation. Feel free to contact me should you have any questions. My direct dial is 312-233-2162.

Sincerely,

Brian J. Holmes
