Subject: Historical Transaction Information Request.

Good morning Mr. Urban,

My is Jean-Charles Bonneau and I'm with the Second Source Inc company.
We provide afermarket parts for transit buses & passenger railway in North America.

I'm looking for specific information in regards to pass bid transaction that would of occurred with METRA.

Basically. I'm looking for records of all procurement transaction that occurred over the last 5 to 10 years at METRA.
Do you have records that can Identify the METRA internal part number, year of contract, vendor, part description, contract value etc..

I understand these documents can be of significant size.

Best regards,
